Why choose us to cover your employees?

Proximity

Our long experience in healthcare and assistance guarantees we understand your needs. From the design of your benefits to the delivery of our services, we are always in proximity. We are in the same time-zone, same country, or even same city.

Transparency

Our plans are straightforward and easy to understand. We also provide your employees with comprehensive user guides to help them make the most of their policy, and send regular communications to inform them of our latest services enhancements.

Simple scheme administration

We offer simple and quick underwriting and set-up followed by easy administration for your HR Team. Our customer portal houses all the data and documentation you need and enables quick and easy monitoring of claims.

Sustainable plans

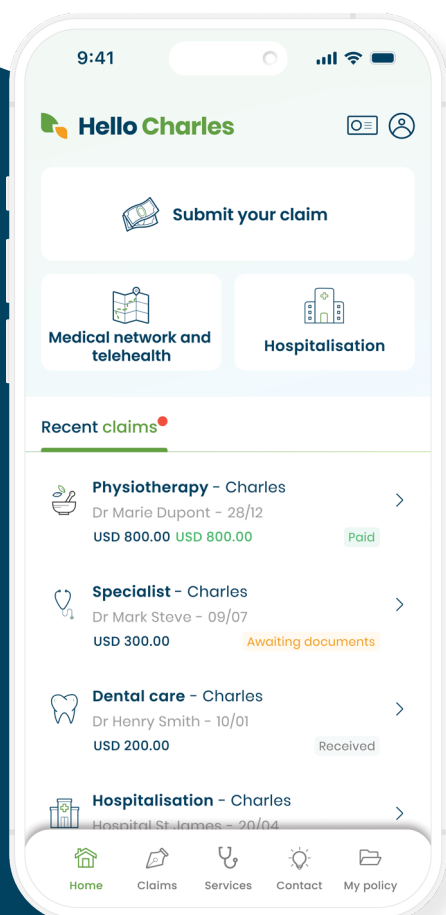

As we conduct all our services in-house - from claims and assistance to case management and evacuations, we have the closest control over expenditure. We also work hand in hand with our clients and healthcare professionals to help guarantee sustainable prices and control the effect of medical inflation on your premium.

Best digital tools of the market

From submitting their claims to getting in touch with a doctor, our members can access all their insurance services in one single app. Easy Claim is the best-rated insurance app in Asia.

Simplified access to care

Employees have access to our outpatient direct billing network, composed of 4,500 medical facilities Asia-wide. For hospitalisations, our team is there to support them every step of the way and can help them settle their costs of treatment directly.
